## Skinbrands takes on UK distribution of premium skincare range Swissline

Distributor Skinbrands has signed a deal to distribute premium skincare Swissline in the UK. Skinbrands will sell the Swiss company's consumer and professional products via its network of 86 clinics, including those that are part of groups including sk:n, The Harley Medical Group and DestinationSkin. The rollout is expected to take place later this year.

Swissline chief executive Christophe Lesueur commented on the partnership: "Skin health and innovation is of paramount importance to Skinbrands, as it is to Swissline." Skinbrands managing director Amanda Coveney added: "I'm very excited to explore the unique opportunities this full debut into the UK market is sure to bring, and I look forward to driving and developing the business."

## Gharieni Ultra Therapy Concepts plans UK launch for 2022

Spa equipment manufacturer Gharieni has partnered with UAE distributor The Product House to develop new treatments – Ultra Therapy Concepts – which combine the company's concept beds with therapeutic rituals from international skincare brands. The treatments are currently only available in the Middle East but there are plans to roll the concept out to the UK next year.

In the Middle East, Ultra Therapy Concepts by Gharieni will see the brand's MLX Quartz bed, MLX i³Dome and Spa.Wave System become the foundation for a series of treatment protocols, developed by in-house experts using skincare partners from The Product House, including Aromatherapy Associates, Carol Joy London, Comfort Zone, Dr Burgener Switzerland, Elemental Herbology, QMS Medicosmetics and Maison d'Asa.

## Shop Beautiful now UK distributor of Exuviance Professional

Shop Beautiful is now the exclusive distributor of Exuviance Professional in the UK, including the Exuviance Professional Peel System, which offers beauty therapists strength options to address clients' specific skin types and conditions. The brand's peels use an effective combination of acids – AHAs, PHAs, mandelic and glycolic.

Lucy Barnard, marketing manager at Shop Beautiful, said: "We're very excited to be able to exclusively launch Exuviance Professional to the beauty market in the UK."

"It is a fabulous range developed by dermatologists who have perfected the science of skin, which is why we love it so much and are confident our customers will as well."
